

Town of Fort Myers Beach

Memorandum

To: Mayor and Council Members

From: Terry Stewart, Town Manager 

Date: May 11, 2010

Subject: **V.O.I.C.E.**

The Lee County Sheriff's office, V.O.I.C.E unit provides traffic control assistance for our Town during the tourist season. The efforts of these volunteer personnel help to keep costs down for our community and are an important public safety resource.

In recognition of the work done by the members of the V.O.I.C.E unit, our Town has traditionally presented a donation and gratitude. It is my understanding that the sum of \$2,000 was budgeted for the donation during this fiscal year.
